Penobscot Shores

Life with a view

*Summer 2021*

Residents spent a July afternoon touring their neighbor’s gardens and the community looking for newly labeled trees. Thanks to one resident, we now have a tree/shrub map for residents and visitors.

## *Staying Safe*

This month we were ready to have our big 25th Anniversary “Happy Party” with residents, staff and Priority Waiting List members, but due to increased COVID-19 numbers we made the decision to cancel our in-person festivities.

But... we do invite you to go to our website [www.penobscotshores.com](http://www.penobscotshores.com) and go under “Activities” to view the “Happy” music video we shot in honor of this celebration. We had such a good time doing the video and know you will find it entertaining; it features many residents and staff.

So, here’s a virtual toast to you for surviving the past year and half through COVID — keep up the good face covering and hygiene practices, and to Penobscot Shores on celebrating 25 years of providing gracious, maintenance free living to residents.

### Ahoy Mateys

July started with a sailing adventure for residents. We sailed out of Camden Harbor into Penobscot Bay and over near Islesboro. We saw eagles, loons, harbor porpoises and some beautiful shorefront cottages. It was so nice to get out and enjoy each other's company and sail around the bay.

Shirley, our fortune teller, had predicted the rainy weather for on Carnival Day, but that didn't dampen the fun. Tim got an extra dunking as our volunteer to get hit with water balloons.

### Tiki Party for New Gazebo

Our chefs out did themselves with a scrumptious buffet of ribs, coconut shrimp, egg rolls, spam & pineapple and pina colada cupcakes to celebrate the completion of the new gazebo.
