## Oktoberfest

It was beer and pretzels in the courtyard while the Sargent Oompah Band played traditional beer garden music. Later, dinner included beer braised bratwurst with sauerkraut, onions, mustard and German potato salad. It was topped off with a Black Forest Cake—yum, yum.

## Maine in the Fall

Ask a Mainer what their favorite season of the year is and chances are the answer will be fall. How can you beat the colors and smells of nature? Up north you have the potato harvest, to the west some

great fall fishing and here on the coast it's a great time to take a slow walk on the Belfast Rail Trail along the Passagassawakeag River that flows into Belfast Harbor.

**The Arts & Crafts Fair is Back**— mark your calendars for Saturday, November 5 from 10 AM to 2 PM and join us at the Ocean House for the annual fair to include art work, crafts, knitted items, quilts, honey, pies and other yummy items. We still have room for crafters as well—call 207-338-2332.

## Pet Friendly

We are a pet friendly community, but when you throw Calypso (left) an apple, he knows better and gave the photographer the ruff treatment.

We asked residents to share photos of their current and past pets that we displayed in the lobby. Here are few. (No, we do not allow goats.)
