**Summer 2023**

## Keep Belfast Maine Beautiful

Since its inception in 2017, Penobscot Shores residents have taken part in Keep Belfast Maine Beautiful in which hundreds of volunteers clean up the parks, shorefronts and roadways in and around the city. This year our residents picked up car parts, roofing shingles, cups, cans, alcohol nips, plastic bags and over 2,000 cigarette butts. Over 50,000 butts were picked up community wide. Penobscot Shores volunteers were thanked with a barbecue in our parking lot after the clean up. Below is just one school group that spent the morning cleaning up the Belfast shorefront teaching them a sense of community pride.

It's a great way to spend an evening with the nice ocean breeze and sunset. Feel free to stop by for a tasty treat if you see the campfire burning this summer.
